

ROYAL RED

CLEANER DEGREASER

Royal Red

Royal Red is a powerful all-purpose cleaner and degreaser formulated to remove dirt, grease, oil and grime from all types of surfaces. Royal Red is a biodegradable, nonflammable, nonabrasive, eco-friendly solution for all applications.

Physical and Chemical Properties

• Information on basic physical and chemical properties

• Appearance:

Form: Liquid
Color: Red

- **Odor:** Slightly sweetish
- **Odor threshold:** Not determined.
- **pH-value at 20 °C (68 °F):** 13
- **Melting point/Melting range:** Not determined.
- **Boiling point/Boiling range:** >100 °C (>212 °F)
- **Flash point:** Not applicable.
- **Flammability (solid, gaseous):** Not applicable.
- **Auto-ignition temperature:** Not determined.
- **Decomposition temperature:** Not determined.
- **Danger of explosion:** Product does not present an explosion hazard.

Applications

- Cleaning shop floors and surfaces
- Removes many adhesives and paint residues
- Tough on grease but easy on plastic, rubber and aluminum.
- Bilge cleaner for marine application

Recommended Dilution Ratios

- Light-duty general cleaning: Dilute 8:1 with water
- Heavy-duty general cleaning: Dilute 3:1 with water
- Marine bilge applications: Dilute 8 to 15:1 with water (Depending on sludge)
