

# SUPER PURPLE CLEAN

## Super Purple Clean

An industrial-strength cleaner and degreaser formulated with a superior blend of concentrated alkaline builders, detergents and water soluble solvents developed to quickly remove stubborn grease and oil stains where other degreasers fail. Super Purple Clean is a biodegradable, nonflammable, nonabrasive and nontoxic solution for many applications.

## Physical and Chemical Properties

• Information on basic physical and chemical properties

• **Appearance:**

Form: Liquid  
Color: Violet

- **Odor:** Slightly sweetish
- **Odor threshold:** Not determined.
- **pH-value at 20 °C (68 °F):** 13.1
- **Melting point/Melting range:** Not determined.
- **Boiling point/Boiling range:** >100 °C (>212 °F)
- **Flash point:** Not applicable.
- **Flammability (solid, gaseous):** Not applicable.
- **Auto-ignition temperature:** Not determined.
- **Decomposition temperature:** Not determined.
- **Danger of explosion:** Product does not present an explosion hazard.

## Applications :

- Cleaning and degreasing engines, tools and heavy equipment
- Degreasing metal parts, equipment, vehicles, floors and other hard surfaces
- Cleaning vinyl, white wall tires, painted surfaces, walls and counter tops when diluted
- Replacement for kerosene, mineral spirits, chlorinated solvents and naphtha based cleaners and degreasers
- Bilge cleaner for marine application

## Recommended Dilution Ratios

- Light-duty general cleaning: Dilute 15:1 with water
- Heavy-duty industrial cleaning: Dilute 6:1 with water
- Marine bilge applications: Dilute 8 to 15:1 with water  
( Depending on sludge)
