

WASHER FLUID

CONCENTRATE

Washer Fluid Concentrate

Chemical 1 Washer Fluid Concentrate is an ammonia free, natural solution for keeping your windshield clean. Its advanced formula contains special surfactants which easily remove road film, bugs, light tar, and tree sap leaving glass clean and streak-free. Cleans and protects to 32 degrees while being safe for the environment.

Physical and Chemical Properties

• Information on basic physical and chemical properties

• **Appearance:**

Form: Liquid
Color: Dark blue

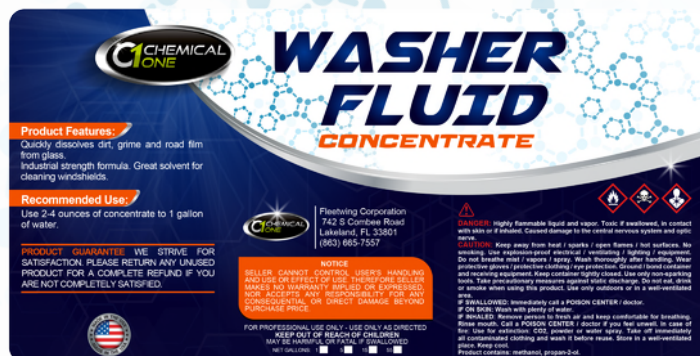

- **Odor:** Alcohol-like
- **Odor threshold:** Not determined.
- **pH-value at 20 °C (68 °F):** 6.9
- **Melting point/Melting range:** Not determined.
- **Boiling point/Boiling range:** Not determined.
- **Flash point:** Not applicable.
- **Flammability (solid, gaseous):** Not applicable.
- **Auto-ignition temperature:** Not determined.
- **Decomposition temperature:** Not determined.
- **Danger of explosion:** Product is not explosive. However, formation of explosive air / vapor mixtures are possible.
